4th Edition

Champions is a superhero role playing game system. Affectionately referred to as the Big Blue Book (BBB) this book is the core rule book for the 4th edition of the game. Prior to the 4th edition the rules were spread out between five different books, which resulted in mechanics that

were diffuse and inconsistent. The 4th edition was to fix both of these problems as well as combine all the rules from all the books into one cohesive whole.

This led to the landmark 1989 Champions Fourth Edition, known to fans as the “Big Blue Book” for its splendid George Perez cover. Over the next decade, Iron Crown and two licensees (Gold Rush Games and R. Talsorian Games) published over 60 superhero RPG supplements and adventures for Champions. These books, though uneven in quality, shared a brio, a sense of imagination and excitement, that fans still recall fondly.

edition of Champions for White Wolf #20, rating it 3 out of 5 overall, and stated that "I recommend this book to anyone already familiar with the hero system, and suggest the Champions game to anyone who enjoys exact, complicated role-playing. To those looking for slick, fun role-playing, I say look to other SHRPGs and other game systems."
