Fae: The Wild Hunt is an epic fantasy, written in a similar sweeping style as "old-school" fantasy writers such as Eddings. The prose is beautiful, but at a couple of points a little verbose, however that's my only niggle. There are several characters and plot threads running through this book, which all build up towards a stunning finale.

Fae: The Wild Hunt starts out pretty interestingly. Devin and his mom have to get on the road to get away from Devin 's abusive and violent alcoholic dad. But their caravan gets attacked and they are forced to hide in the forest, where strange things are lurking in the shadows. Devin 's introducing chapter sets the atmosphere quite nicely.

The Wild Hunt - Faction - World of Warcraft

The Fae... The stuff of bedtime stories and fables. But sometimes the fairy tales are true. Sometimes they are a warning... For a hundred generations the Fae have been locked away from the world, in the cold, the Outside. They have faded out of sight and mind into myth and folklore, but now the barriers are weakening and they push against the tattered remnants of the wyrde as they seek a way to return.
