When it comes to acquiring capital for a business, successful food truck owners are often forced to get creative when coming up with their seed funding. Since starting the Food Truck Empire podcast, I've had the opportunity to learn from entrepreneurs that launched their businesses with help from crowdsourcing websites like KickStarter.com, dipping into their savings or 401K accounts, charging credit cards or a combination of all these.

If you're looking to capitalize on a growing trend in the restaurant industry, consider starting a food truck business. From 2014 to 2019, the food truck industry saw annual growth of 6.8%, with total revenues in 2019 hitting over \$1 billion. Though running a food truck business can be more affordable than taking out a lease on a full-fledged restaurant, there is still a significant cost ...
