Citizenship and Immigration Services - Legal

Do use black ink only. USCIS is very particular about the color of ink used to complete an application, which is why it's best to fill out the form electronically then print it afterward or use a service like Boundless, which will print out all your forms and documents, assembled precisely how the government prefers (learn more about our services). If you decide to complete your application by hand, make sure to use the correct color of ink to prevent any delays.
