For many uses, market value more accurately represents the debt burden faced by the U.S. government than the par value. The par value of government debt, which is reported by the U.S. Treasury Department, reflects interest rates at the time the debt was issued while the market value is adjusted to reflect market interest rates as of the observed period.

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

Level of Employment Suggests. May 27, 2021. With payroll employment remaining well below its prior peak, slow job growth would typically suggest weak demand for labor from firms and limited employment opportunities for job seekers. Current conditions in the labor market, however, may be far from typical.
