It is hard to think of counseling philosophy for it is very broad in different manner. Based from the nine units I have taken for being a student taking up Master of Education in Guidance and Counseling, many has to be learned and to be understood.

## *My Personal Philosophy in Counseling Example | Graduateway*

What makes counseling so stimulating and challenging is the fact that every client is unique. Each story is compelling. In terms of

# File Type PDF Philosophy Of Counseling Paper

therapeutic technique and strategy, one size definitely does not fit all. The counselor must be skilled at tailoring his/her theoretical method to match the client in the moment. A client-centered philosophy such as mine endeavors to create a counseling environment and develop an alliance within which client revelation and change and personal growth are realized.

Counseling Philosophy - K.  
Garris ...*

This paper will discuss my views of human nature, factors of behavior changes, goals of therapy, the roles of a therapist, and the counseling approaches that I chose to incorporate in a practice. The understanding of human nature is the concept that there is a set of inherent distinguishing characteristics, including ways of thinking, feeling, and acting that all humans tend to possess (Winkler, 1996).
